Continuation of Box No. II-2 of continuation of first sheet (2)

Claim 10 contains a matter that "when the mobile telephone cannot be identified and the mobile telephone is not registered, the mobile telephone is set to a control state during driving". However, this matter is not specifically described in the Description and lacks in disclosure within the meaning of PCT Article 5. Moreover, this matter is not supported by any disclosure in the Description within the meaning of PCT Article 6. Furthermore, even if the technical common sense at the time of application is considered, the requirement of clarity within the meaning of PCT Article 6 is not satisfied.
